Innovative & Effective
Solutions That Work

Who We Are

Founded in 1985, FOWLER HEALTHCARE AFFILIATES built its reputation by creating innovative and effective solutions that work. By better management of high cost patients, providers have realized significant cost savings and sources of new revenue. Every project involves a team of FHA's experts with the skill set needed to meet the specific challenges of your project. The outcome is a set of recommendations and plans of action that are:

- **Clinically and operationally sound**
- **Information-based**
- **Market and organizationally driven**
- **Strategically and politically correct**
- **Achievable**
- **Economically grounded**
- **Measurable**

FHA takes pride helping over 400 clients to obtain and implement practical and effective solutions and achieve success in new venues of care.

Client accomplishments include:

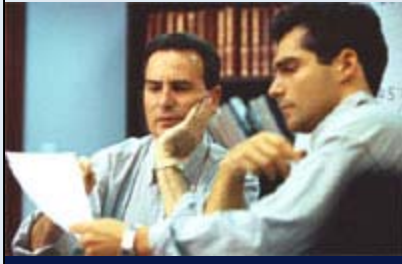

- **\$2.5 million cost savings for rehab unit**
- **Post acute strategy and \$15 million in new revenue (annually) with 20% net margin**
- **Proving the value rehab and Long Term Acute Care Hospital (LTACH) services for health care systems.**

At FOWLER HEALTHCARE AFFILIATES, INC. we have developed innovative solutions for managing cost of high cost patients. Whether your focus is to develop the full continuum of post acute care, specialty senior care, or case management, FHA has the expertise to help you reach your target.

When you choose FOWLER HEALTHCARE AFFILIATES, INC., you work directly with healthcare professionals with expertise in all facets of continuum including acute care, rehabilitation, long term acute care hospitals, skilled and subacute care, long term care and home health. Whether you are trying to determine the right post acute strategy, improve operations or start-up a new post acute service, FHA's professionals provide the continuous, personal service designed for your organization while developing solutions that are achievable, create value and are targeted for success. Recognized as leaders in post acute, FHA has the talent and skills for your organization's success.

FHA has assisted over 400 clients nationwide to improve the quality of care and

the bottom line. Our clients include the community hospitals, tertiary providers, academic medical centers and complex health systems. To learn more about FHA's practical and effective solutions, please contact us at **770-261-6363**.
